

AMATEUR RADIO CLASS

Sponsored by:

Are you Prepared?

This class will prepare you to take the FCC Technician Exam, (Amateur Radio Element 2) in three fun filled evenings. Recent changes in FCC rules have made it easier than ever to get your amateur radio license. This class is designed for youth to seniors who have no experience with radio communications or electronics. No Morse Code Required!

Dates: July 8, July 15 and July 22, 2009.
FCC testing will be available on July 29th.

Where: El Dorado West Community Center,
2800 Studebaker Road, Long Beach, CA
90815.

Time: 6:00 PM

Cost: The class is free. There will be a \$15.00 testing fee due at the time of the FCC Exam. The book, Technician Class Manual, by Gordon West is available at Amazon.com or Ham Radio Outlet.

How to Register: No pre-registration is necessary. For more information, contact Ken Campbell at kmcampbell@cox.net.
